Dear Members of the General Assembly Judiciary Committee,

Thank you for the opportunity to be heard. I would respectfully ask that you oppose SB 16.

So much of this bill only infringes on people's rights. It will only affect law abiding gun owners like myself and not the criminals committing the crimes.

Please also oppose H.B. No. 5416.

Please support the following bills, S.B. No. 388, H.B. No. 5415 and H.B. No. 5412.

Sincerely,
Sharon Deitz
